

CHALLENGE QUILT 2016 - 2017

Is everyone ready for this year's Challenge Quilt? You can make this simple or hard, it's your choice!

There are 3 things your quilt has to have:

1. A recognizable piece of the Challenge fabric.

(**NOTE:** All of Regina's Challenge fabric has been spoken for. If you did not sign up for a quantity of her fabric, you may order your own. Name of fabric, manufacturer and source information are provided below*.)

2. Part or all of your background has to be pieced.
3. At least one Dresden Plate Block. Any size, you can make the outside of your Dresden round, pointy, octagon, or anything you want, as long as it is a Dresden plate with a circle in the middle.

The quilt must be **at least** 60 x 60. It can be larger but not smaller.

Sleeve for hanging 4 inches.

I can't wait to see what you come up with. We are so lucky as a Guild to have so many talented people. If you have questions, give me a call.

Regina Carter 770 775-2311

***Challenge Fabric** is made by Hoffman; Crystalia S#N4242
Kaleidoscope Opal

This fabric is \$12.98 per yard at Fabric.com. At last check there were over 200 yards in stock. A photograph of the fabric is also shown on the LOQG webpage beside Challenge information.
